◆  
**UNIFORMS**

**Daytime**

From rising time until late afternoon campers wear dark green shorts, tan T-shirts, dark green socks and a dark green sweatshirt. These are all plain, solid colours, not patterned. This is the traditional uniform.

◆  
**CLOTHING**

**Evening**

Any suitable camp clothing is worn after the afternoon swim.

◆  
**FOOTWEAR**

At least one pair of running shoes or casual shoes must be in excellent condition. The terrain is rough, sandals and thongs are dangerous. Raincoats must be waterproof. Nylon shells or windbreakers are not a suitable substitute for a raincoat.

◆  
**PROVIDED BY THE CAMP**

Cookout dishes, tennis rackets and all other sports equipment.

◆  
**BLANKETS**

May be rented. See information in Camp Bulletins.

◆  
**NAME TAPES**

All articles must be marked. Name tapes must be sewn on clothing and bedding. Marking ink may be used for miscellaneous articles. Uniform orders delivered to camp will be named, prior to your daughter receiving the clothing.

◆  
**PADDLES**

All campers must bring a paddle to camp. Paddles may be purchased through the camp. See information in camp bulletin.

◆  
**LIFE JACKET**

All campers must bring a Government approved Life Jacket to camp.

◆  
**INVENTORY**

A list of all articles brought to camp should be enclosed in a plastic bag and put in with your camp gear.
