

Campers from the 2011 Summer Camp have priority until **NOVEMBER 15/11**. New four week campers will be given first priority thereafter. New Campers are accepted in the order in which registrations are received by the Camp office and after the vacancies in the various age groups have been determined. Upon acceptance, parents will receive a Code of Behaviour which should be discussed with your daughter. Campers may register for two, four, six or all eight weeks of Camp.

EXTENDED CANOE TRIPS

We offer two extended canoe trip options. Our one month program runs the month of July and August. Pre-trip training is followed by a 20 day canoe trip in northern Ontario. Our two week trips run the same sessions as our two week periods. Please call the office for applications.

DEPOSIT/CAMP FEES

Fees DO NOT include harmonized tax or tuck deposits. The \$400.00 deposit must be sent with your application. The balance of the Camp Fees are due May 1st. Our policy is as follows: 1. An application that is withdrawn before March 1st will receive a \$150.00 refund from the deposit. No refund of the deposit will be given if withdrawal occurs after March 1st. 2. Children who are withdrawn after May 1st and before camp begins will have camp fees less the \$400.00 deposit refunded if a new camper can be registered in their place. If a new camper cannot be registered then 2/3 of the camp fee will be refunded. 3. Children who withdraw after Camp begins its first session or leave camp early for any reason, will not receive a refund.

INCIDENTAL EXPENSES

There are no extra charges for regular Camp activities, but parents will be asked to deposit \$300.00 for laundry, life saving awards, miscellaneous tuck shop items, bus travel, and tripping permits. Six week and two month Campers deposit \$450.00.

TRAVEL

Campers travel by chartered bus between Toronto and Algonquin Park. Arrangements for pick up and departure at Toronto Airport can be made. Details of flight arrangements will be sent when your daughter registers for camp. Campers may also be picked up and dropped off at the Camp Landing. (Cache Lake, Algonquin Park)

ACTIVITIES

There are excellent facilities for all activities offered, from beginners to advanced levels in swimming, diving, life saving, canoeing, kayaking, wind surfing and sailing. There are comparable programs at fitness, sports, ropes course, lapidary, archery, arts and crafts, theatre arts, tennis, woodworking, woodcraft and mountain biking. Particular emphasis is placed on Environmental Awareness and Education in our program. The daily program is based on individual choice; each Camper progresses at her own level of skill. All one month Campers have the opportunity to go on a canoe trip. Please contact our office for details. Evening programs are recreational fun ranging from music to group games or campfires. There are cookouts and many special events which highlight the summer. All Camp programs such as tournaments and theme days are carefully planned to include the interests of every Camper.

SUPERVISION

The ratio of total counselor staff to Campers is one to three with very few exceptions. The minimum age for counselors is eighteen. Most are former Campers and many are university students or graduates. No junior counselors are employed.

TRIBAL GROUPS & CABIN MATE REQUEST

Tribal Membership is determined by age and cabin grouping. Campers range in age from seven through sixteen and are divided into tribes: Chickasaw, Ojibway, Sioux, Algonquin, Shawnee and Cree. They elect their own leaders and plan many of their own evening programs and special events. The Camp reserves the right to make final decisions regarding tribal and cabin placements. Friendships, compatibility, age, grade in school, height, general maturity, and the new Campers are considered in planning congenial groupings. Cabin request forms are sent out early in 2011. Campers wishing to request one friend must: (1) Obtain the consent of the proposed cabin mate and (2) be sure that they are the same age and/or grade in school. While every effort is made to honour mutual requests, parents are reminded that learning to live with new friends is an important part of a Camp experience. The Camp will only consider one cabin request. Cabin placement is entirely at the discretion of the Director. Late cabin requests cannot be honoured.

CAMP UNIFORMS

Tan coloured T-shirts and dark green shorts, sweatshirts and pants are the official daytime uniform. Camp uniforms may be ordered through the Camp or may be purchased at any store you choose. Information about uniform clothing will be sent to you in the early spring. Suitable Camp clothing of any design or colour is worn after the afternoon swim.

Please note that all Campers must bring biodegradable soap and their own paddle and lifejacket. Paddles can be purchased from the Camp to be delivered to your daughter when she arrives at Camp. Out of Province campers may rent a life jacket and paddle for their stay.
